With over 3,600 names  
+ shopping centers, we have  
widely needed + taught  
children + their parents  
since 1966.

A graph with two axes. The vertical axis has three horizontal grid lines. The horizontal axis has one vertical grid line. A blue curve starts at the origin, goes up and to the right, then turns sharply down and to the right, ending near the top right corner. Handwritten blue text above the curve reads "Mississ. Line TD" and "County Line Repairs".
