1000

ANSWER: The answer is 1000. The first two digits of the answer are 10.

A hand-drawn map on grid paper showing a street intersection. The map includes labels for 'W SWANN AVE' (horizontal red line), 'SELMON EXPWY' (diagonal yellow line), and 'BAYSHORE BLVD' (diagonal blue line). Handwritten notes include 'Bike lanes' at the top, 'Intersection Improvement' along the red and yellow lines, 'Bay to Bay Reversible' and 'Lane to handle rush hour traffic' along the diagonal lines, and 'better sidewalks for walker & bikers (NOT safe for families)' at the bottom. A large purple circle highlights a specific area near the bottom left.
